Memorial Day, Mattapoisett

Townspeople gathered at the Mattapoisett Library in Mattapoisett on Memorial Day to remember the basic things of life, love of country, and the precious sacrifice and valor of the past.

Florence Eastman Post Commander Michael Lamoureux welcomed those present. He said that, this year, he missed most the late George S. White, always there, always organizing the paraders in his role of Marshall. Mr. Lamoureux asked that the ceremonies begin with a moment of silent tribute to Mr. White who had served Mattapoisett in so many ways for so many years. Mr. White,

Mattapoisett's long-time veterans' agent, former Selectman and former Regional School Committee member, died a year ago.

Mr. Lamoureux introduced speaker Sgt. Major Joe Flores of Fort Devens, a much decorated soldier who knows first-hand of valor. He spoke of devotion to country and duty to protect the precious freedoms that all take for granted but freedoms that were won at such selfless cost to all generations of Americans. He advocated the continued strength of the military forces to ensure that such policy would make their use unnecessary. He remembered VietNam servicemen who have not yet returned. He said that for them the war continues and we hope and pray for their safe return to their homeland.

and Jean West, gave Lincoln's Gettysburg Address. Musical selections were by the ORRHS Band and the Old Hammondtown School Band.

The library ceremonies concluded with the laying of wreaths on the Florence Eastman tree and the Monument to the soldiers of our wars. Taps was played.

Major Charles Morgan, RET., parade marshall, then headed the parade in march to the Town Wharf where the parade paused as a delegation marched to the end of Long Wharf to lay a wreath upon the water to honor those who gave their lives at sea.

The parade then proceeded to Cushing Cemetery where prayer and further ceremonies were held.

It was the same familiar ground, the same familiar theme but with new, fresh faces and renewed deep feeling. It was the best qualities of America brought out once again to remember the best who had marched before.

Pending Litigations

MATTAPOISETT SELECTMEN'S MEETING
MAY 31, 1988-by VIRGINIA ARRAL

In what appears to be a heavy load of pending litigations, Town Counsel Donald J. Fleming last Tuesday explained to Selectmen that he hopes several of the court cases will be settled in July.

Selectmen Chairman William Hubbard told Counsel there have been rumblings (rumors) around concerning the sewer contract with Fairhaven regarding the payment Mattapoisett has to make for its share of the increased 250,000 gallon expansion out of Fairhaven's total expansion project. "We've got to get this problem nailed down immediately," Selectman Hubbard said.

Attorney Fleming said the problem stems from the fact the contract has not been signed between the towns, as Mattapoisett didn't have the funded cost figure until now; Mattapoisett's share is $450,000. The counsel said Fairhaven has an infiltration problem and "we shouldn't be liable for that cost. Fairhaven has lumped the infiltration costs into our contract." Mr. Fleming said he will contact Fairhaven's counsel, Thomas Crotty, to follow through on

the solution.

Another case involves Building Inspector Andrew J. Bobola and FEMA (Federal Emergency Management Agency), regarding four separate flood plain zoning violations by builders. Counsel said the building inspector is caught in the middle of the problems, as "we are having problems with the contractors of these houses close to the water in flood plain zones".

Another case concerns the state DEQE and its fining of the Town Board of Health for violations at the sanitary landfill. Health Board Chairman Daniel C. Lee was told by Counsel to "get these things done, then call the state DEQE down to check on them. Take the list of the state's accusations and check the list of what has been done." Chairman Lee said, excluding the topping, all the list of complaints has been corrected. In response to Selectman John N. DeCosta's question of removing the metal pile which should be taken out every week, Lee said it is not taken out every week, but "we will check on that problem".

Chairman Hubbard said the Selectmen, Health Board members, the state checkers and Ron Michalski, Tighe and Bond engineer, should view the landfill together and explain the town is doing its best to correct the complaints.

Another case concerns the Police Department versus Mid-Cape Motors, Inc., regarding the damage done to the town's ambulance which was being serviced at their garage. Counsel said the Ford Motor Company is investigating the town's claims and will report back. Selectman Bernard F. Talty said a foreign object was found in the gas line creating a leak and was tested by a private testing firm and found to be composed of zinc-coated steel and not lead and copper, as the components of the gas pipe should be.

The court case of Robert and Mary Ringuette of Dupont Drive, Brandt Island area, concerns their boatyard and an appeal to the Appeals Board decision. Originally, Mr. Ringuette was granted 75 boat slips; a request for 110 slips was denied, then appealed over a year ago. Now, Mr. Ringuette wants 130 slips and to repair 8 boats and place an ice machine on the grounds. Attorney Fleming said he is not sure

if Mr. Ringuette can ask for the 150 slips when the request for 110 slips is still under court appeal.

The Tinkham Lane layout was discussed with Counsel, as it was recommended at the annual town meeting that a road layout be made before any town road acceptance. Counsel recommended having an engineer take records on file, both the old layout and developer James Bungert's layout, and find out exactly what the town owns and what is privately owned and what is owned by the Town of Fairhaven, who has a well in the area. Then the road will have to be straightened and possibly widened beyond its present 33 feet, then obtain easements for drainage.

Other cases include: the Ensign Marine Boat lot on Route 6, where restrictions placed by the Board of Appeals are not being followed, explained Town Counsel. Conrad Roy, Ocean Drive, and his operation of pouring boat keels, has been a problem for many years. Hopefully, this case will be cleared up soon, Counsel said.

Authority, who noted a week's notice to the Selectmen is required before an appointment can be made. A replacement is needed to fill the vacancy due to the death of Melvin J. Miller. The name of Roger Thompson, 11 Park Street was recommended by Ms. Mendell and will be considered by the Selectmen next week when the full Authority board is present.

Ms. Mendell also recommended Marlene O'Neill be named to represent the authority on the Massachusetts Housing Partnership Committee.

NOTED THE BOARD OF HEALTH has announced the sanitary landfill will be open from 9 a.m. to 4 p.m. on Saturdays, effective immediately until September 10, 1988.

RECEIVED from Water/Sewer Superintendent William Nicholson the report from the GHR Analytical Engineering Associates on the (PCE) Tetrachloroethene amounts in the pipes on Tinkham Lane. As of October 29, 1987 the amount was 2.2 parts per billion. The superintendent noted the accepted state limit is 40 parts per billion.

PLACED ON FILE the name of Patricia Gardiner, 2 Center Drive, to be considered for an appointment to the Board of Appeals. Mrs. Gardiner has been president of the Harbor Beach Improvement Association and feels Mattapoisett is truly special and would like to be involved to see that uniqueness maintained. There is no opening at present.

WERE INVITED to attend the June 14th Flag Day ceremonies at Center School. Selectman DeCosta will represent the Board.

RECEIVED a progress report from SEMASS, the waste-to-energy treatment plant in Rochester, which will serve Mattapoisett and surrounding communities, and due to open to accept trash on September 1, 1989.

It was noted the new administration building was opened June 4th. Even though construction work is ahead of schedule and many communities have requested commencement dates, SEMASS is not able to establish firm dates at this time because acceptance tests must be passed to prove the ability of the plant to handle the waste in the guaranteed capacity and under the guaranteed pollution control conditions.

The Waste Acquisition Agreements between SEMASS and contracted communities require that SEMASS begin to accept waste no later than September 1, 1989. However, SEMASS

MET WITH Building Inspector Andrew J. Bobola to discuss his inability to make safety inspections at Costa's Family Restaurant on Route 6. The inspector said he has made to the owner Frank Costa numerous phone calls and written several letters, none of which have been answered. "I don't want to hurt anyone, but I've given them plenty of opportunity to respond." Chairman Hubbard commented, "If anything happens we will be as liable as Mr. Costa."

The inspector's most recent letter on May 17th noted if inspections are not done in the next 10 days, "I will ask that your liquor license and all state permits be revoked." Following the meeting and a letter hand-delivered by a police officer, arrangements were made to have Inspector Bobola inspect the property on June 3rd.

Murder at Veteran's Memorial Park

On routine patrol the morning of May 31st at 12:25 a.m. Officer Adam Mendoza of the Mattapoisett Police Department discovered a car parked above the beach facing up Ned's Point Road, back to the water. Officer Mendoza found no one in the car, so he inspected the surrounding area. He saw a shape in the darkness on the beach behind the car. As he approached he saw the body of a young man face down with head towards the water. Officer Mendoza found that the young man was dead with blood on his face and body. The victim has been identified as Paul S. Gonzalez, age 18, of 115 Willis Street, New Bedford.

Mendoza radioed the Mattapoisett Control Center for assistance and the Center notified the C-Pac unit of the District Attorney's Office in Plymouth. This squad is specially trained in major crime investigation including homicide.

Police found 2 handguns beside the body. A .357 Magnum and a .38 caliber revolver had both been fired and the chambers were empty.

Subsequent checks have determined that the .38 caliber weapon was stolen in a car break in a nearby town last year. The .357 Magnum is still being checked for origin and is believed stolen.

An autopsy performed at St. Luke's Hospital showed that the murder victim had been shot a total of 5 times. He was shot 4 times in the back and once in the head. The bullet entered the upper mouth and lodged in the brain. Of these, two could have been fatal - the head wound and one bullet which entered the lower back and passed through the heart.

Area residents were questioned and Police Chief James Moran said that reports sounding like gunfire had been heard in the neighborhood at 9:30 p.m. on May 30th. Ned's Point had been checked by the cruiser at 7:00 p.m. Two accidents and a flurry of other activity that night had occupied the cruisers and delayed further patrol at that point until Officer Mendoza's check at 12:25 a.m.

Chief Moran said that investiga-

No healing art has all the answers to the many problems of disease and disability. However, chiropractic has been successful in many cases where medical treatment has failed. That's why the use of chiropractic is growing. Chiropractic is now the second largest health-care profession in America. Chiropractic does not utilize potentially dangerous drugs or surgery.
If you or anyone in your family has a health problem, it's worthwhile to learn more about the benefits of chiropractic treatment.

tion of the area had pointed to the theory that Gonzalez had come to meet with someone, had parked, had gone to the meeting place in the adjoining marsh where a confrontation had taken place, shown by the crushed marsh grass. The Chief said that Gonzalez, already bleeding, may have been moving in the direction of the beach to the position where he was found.

After several days of investigation, the Mattapoisett Police made an arrest on Friday, June 3rd. The investigation continues as a collection of letters and other physical evidence found at the scene is analyzed in the laboratory.

David P. Vermette, 18, of 11 Briarpatch Lane, was arrested at home at 3:45 p.m. on Friday, June 3rd. He was charged with murder and is being held at Plymouth County House of Correction, without bail, until scheduled arraignment on Monday, June 6th.

David P. Vermette was indicted by a Bristol County Grand Jury last April on a charge of assault with intent to kill Shawn Cabral of Freetown. Police Chief Moran said that it is believed that the two cases are related. Chief Moran said that the assistance of Sgt. Robert Kilpect and the C-Pac homicide division of

Engineers Seek Comments

PERMIT SOUGHT FOR MATTAPOISETT WORK

Kenneth Shwartz and June Smith are seeking permission from the U.S. Army Corps of Engineers to construct 350-feet of elevated walkway across a saltmarsh to a 12-foot ramp and an 8 x 12-foot float in Mattapoisett Harbor in Mattapoisett.

The application for the federal permit was filed with the Engineers in compliance with Section 10 of the Rivers and Harbors Act which provides for federal regulation of any work in, under or over navigable waters of the United States.

To assist in evaluating the proposed work, the Engineers are soliciting public comments. Written statements should be forwarded to their office no later than June 25, 1988. Additional information may be obtained by contacting Karen Adams at the New England Division, U.S. Army Corps of Engineers, 424 Trapelo Road, Waltham, MA. 02254-9149.

Marion Selectmen's Meeting

MAY 31, 1988 - A COMMUNITY SERVICE OF THE LEAGUE OF WOMEN VOTERS by EUNICE MANDUCA

Shirley Hughes, co-chairman of the Council on Aging, appeared before the Selectmen with the listing of her Board as follows: Co-Chairman Dr. Clark Streeter, Secretary Betty Minter, Treasurer Herbert Mason, Trustees Edna Archer, Ruth Maker, Mary Mello, Janet Thackeray, Kitty Wickenden and Elinor Griffin.

Alex Beichek of the Zoning Board of Appeals appeared to get Selectmen's input on an upcoming hearing concerning a request for a variance for canopies at gas stations.

Letters received were:

From Reginald Carter, representing the Revival Committee for the Feast of Saint Anthony requesting a permit which will allow his group to celebrate the occasion on June 12, 1988 from noon to 5 p.m. The general public is invited to attend but, because the group has requested that Point Road be closed to through traffic during those hours, the Selectmen forwarded the request to Chief Scott. Mr. Carter will be notified of the final decision.

From William Watling, representing Alewives Anonymous, inviting the Selectmen to a chowder supper on June 12th at the Rochester Grange Hall at 7 p.m. This meeting is an effort to bring to the attention of surrounding areas the fact that the Mattapoisett and Sippican Rivers are badly overgrown and this condition endangers the entire spawning cycle of the alewives. Alewives Anonymous has raised sufficient funds to provide a grant of $1000. for this important clearing project.

From Timothy Winter of the Army Corps of Engineers concerning a request from Kenneth Schwartz and June Smith of 296 Delano Road for a permit to construct an elevated walkway across a saltmarsh for 350 feet to a ramp and float in Mattapoisett Harbor. Public comment is invited and a request for a public hearing must be submitted, in writing, before June 25, 1988. Plans are on file at the Marion Town House.

From the Massachusetts Department of Personnel concerning a new rule of smoking prohibition for civil service employees according to the 'wellness' provisions of the act. Because this regulation would primarily impact the police department, the letter was referred to Chief Scott.

will include an inventory and assessment of Recreation/Conservation land, a townwide survey, and goals and objectives with funding recommendations.

This plan is being jointly funded by a state grant to the Conservation Commission and by the Sippican Lands Trust. The resulting Open Space Plan, upon acceptance by the state, will enable the Town of Marion to apply for state grants for acquisition and development of land for conservation and recreation use.

A questionnaire will be sent to each household in Marion during the week of June 6th. On June 8th each child at Sippican School will bring home a flyer to remind his or her parents to fill out the questionnaire and to attend the Open Meeting at Sippican School Cafeteria on Monday, June 27th, at 7:30 p.m. to discuss the results of the survey. Please join us in this effort to determine the conservation and recreation needs of Marion. Your participation is vital to the accuracy of this survey and the future of Open Space and Recreation in Marion.

the Old Rochester Regional High School Jazz and Concert Bands gathered gold first place plaque awards and superior ratings in their respective divisions.

The bands, conducted by James Farmer, were also named "best overall" and received handsome gold trophies. Although small in numbers with 20 musicians in the concert band and 16 in the jazz band, they competed very successfully against bands from Connecticut and western Massachusetts.

The Heritage Music Festival has been held for over twenty years with the last six years being in Portsmouth, Rhode Island. Not only does it promote instrumental music but also choral with competitions held at twenty-five locations throughout the United States and Europe.

Travel arrangements consisting of a motorcoach were provided by F.O.R.M. (Friends of Old Rochester Music) not only to Portsmouth, but also to Rocky Point Amusement Park, a side trip after competition and prior to the evening awards ceremonies.

As far as can be determined, no previous ORR instrumental group has garnered four First Place awards at any one competition.

"The Beacon at Mattapoisett", is being reviewed by the committee before a comprehensive permit is issued.

Chairman Harvey Blanchette said Mr. Cusson had planned to apply to the local Zoning Board of Appeals for a comprehensive permit by July 1st. However, the committee asked that he wait until the committee received official notification that a state grant has been awarded so that a consultant can be hired to assist the committee in evaluating the proposed project. "We hope to have a consultant with experience in this field by June 15 or July 1," said Mr. Blanchette. Mr. Cusson agreed to postpone his application until October 1, when the consultant can evaluate the project.

Following a 308 signature petition received by the Selectmen two weeks ago asking for a moratorium on condominiums, Selectmen sought a legal opinion of Town Counsel Donald J. Fleming. This was also announced at the housing meeting.

At Tuesday's Selectmen's meeting, the legal opinion was read. Counsel said the Board of Selectmen does not have the authority to order such a moratorium or to enforce it. There

vocation of any "police power" by the Town to halt condominium projects. Condominiums are a form of ownership and may not be regulated by a zoning by-law. Condominium regulations are normally accomplished by a special act of the state legislature. In our case no such legislation has been adopted or proposed. The use density of a lot, that is, one dwelling per 10,000 square feet, is a matter governed by zoning. The Massachusetts state laws provide for an override of the local zoning laws by way of a "comprehensive permit". The subject of a comprehensive permit cannot be regulated by town meeting.

Chairman Blanchette noted there is no condominium law on the town zoning books at this time, and the Appeals Board will have to address this subject soon. He commented, "We have opened up a good line of communication with the developers and this postponement will give both sides breathing space."

Mr. Cusson said he could hire his own engineer to do a traffic study, but that the public would feel the results were biased. He agreed to share with the town the cost of an engineering study of the project's impact on traffic.

Selectmen were to have had its

report on comments from boards in town and from their own board sent to the Massachusetts Housing Finance Agency by June 6. Among the comments to be mailed are those of the Planning Board, Conservation Commission and Fire Chief.

Kenneth S. Dawicki, Chairman of the Conservation Commission, wrote: "Any increased water flow into the Tub Mill Brook would cause undue flooding; a condition that is now already a problem. There is currently an open trench that runs from behind the Denham property that, in a time of extreme rainfall, accepts water that runs down Hawthorne Street; a damming of this area would flood the Denham property. Any changes in the hydrology of the area would cause an increase in the time versus input into the Tub Mill Brook; a condition that would only cause more flooding."

Chairman of the Planning Board William H. Matthews wrote: "It is usual for the Planning Board to meet with a developer and review the site plans. This along with a general discussion of the project with the developer has not been the case, in that the developer of 'The Beacon at Mattapoisett' has not been to the Planning Board for any discussions. Based on limited information, the Planning Board feels: 1) In two of the three site plans submitted to the Mattapoisett Housing Opportunity Committee, there appear to be housing units located in the wetland area; 2) In one plan there is shown an egress into Hawthorne Street by a road not in existence and with no assurance that this proposed road would ever exist, as this property

is not now held by the developer; 3) The Board is concerned about the traffic that would be generated by the project and the additional traffic onto Park Street, a narrow secondary road, without sidewalks and already serving as in-town commuter connecting road to Route I-195, could become a safety problem; 4) It is felt the current surface drainage system on Park Street is not adequate to handle drainage from this development and would need to be resolved as to drainage carry-off and subsequent flow into wetland areas; 5) It is the desire of the Board that any roads within the development be made to conform to town standards for roads."

Fire Chief Donald C. Wood commented: "I feel that the proposed water mains should be looped for maximum fire flows. I also feel that the Fire Department should be consulted as to hydrant locations; I feel the Fire Alarm Superintendent Paul E. Kelley should be consulted as to locations of fire alarm boxes; I also have a concern on the traffic pattern, and the parking. Last, but not least, I feel strongly that two means of access should be found if at all possible."

citing several errors in the Pleasant Street project application. Among the errors was the discrepancy of condo units sought, the application listed 100 units; the purchase and sales agreement lists 75 units; now the developer is seeking to build 58 units, 30 percent of which must be affordable under the state plan. Other errors noted were the developer's statement on the site application that the nearest hospital was three miles when in fact it is 10 miles; the sanitary sewer line was stated as 300 yards when in fact it is 3,500 feet.

The Chairman said they would like to get the developer to agree to 45 units or less, even though Mr. Cusson said he needs a minimum of 45 units to be economically feasible.

Mr. Cusson brought to the meeting a second set of blueprints showing a revised wetlands delineation. The new plan shows seven units in the 100-foot buffer zone next to wetlands, but none in the wetlands. One of the errors cited in the committee's May 23 letter was that the original plan showed units in unbuildable areas.

The next meeting of the Housing Partnership will be at 7:30 p.m. on June 15th in the Town Hall Conference Room.

113 UNION ST., CORNER OF SECOND ST.

Racing the clock over the twisting 12 miles of river, the pair and the other contestants were cheered on by a crowd of more than 3000 as they emerged at various points into the open. Part of the spectator fleet is as mobile as the boats on the river as they follow the race from Grandma Hartley's Pond in Rochester down the course, which winds back and forth crossing the road at various places, ending in Mattapoisett at the Herring Weir. There were 68 boats that made it all the way.

Other winners were: overall (men 14 and over), Barrows and Hartley, first; Peter MacGregor and Doug Church, 1:59:38; Bill Harris and Peter Teves, 2:02:15.

Senior girls (14 and over), Shawn-Ann Hartley and Jane Kirby, 2:27:30; Jodi Ennis and Kate Souza, 2:29:53; Marcia Reed and Michelle Kirby, 2:43:53.

Junior girls (under 14), Cathy Johnson and Karla Ashley, 3:11:42; Kami Medeiros and Sharon Tripanier, 3:18:55.

Parent-Child Division, Cliff Hedges and Josh Hedges, 2:10:00; Sarah Pond and Dick Pond, 2:30:03; Dennis Tripp and Dana Tripp, 2:34:25.

Junior Boys (14 and under), Jamie Stewart and Matt Barratt, 2:41:58; Lisa Sylvia and Shane Ingham, 2:43:25; Katie Hedges and Eric Bedard, 2:48:23 (mixed teams were scored with the boys).

PAID DIRECTOR FOR COUNCIL ON AGING IMPORTANT ISSUE ON JUNE 21st

With one person out of four in Mattapoisett classified as "senior" approval of a paid director is vital to proper management of senior programs. Mattapoisett is the only town in the area which does not now have a paid director. Professional skill in dealing with the many issues facing the elderly becomes more and more important as programs become more complex. Issues range all the way from providing the daily Nutrition program to giving advice on Social Security or Homestead Act

BODY WRAPS HAVE CHANGED! Old body wraps consisted of a solution of oils held to the skin by a cellophane wrap. This caused perspiration and loss of fluids. Once fluids were replaced, the inches lost came back. Our new wraps are elastic cotton wraps soaked in an all-natural solution of minerals and vitamins. Inch loss is permanent if you follow our program. And if you don't lose at least 4 inches on your first wrap, your second wrap is FREE! Call for an appointment.

Friends, a small group of recent graduates of Boston University School of Theology. Refreshments will be served after the program.

The event is being sponsored by the Mission Committee of the church for the benefit of the Heifer Project; a freewell offering will be taken. Heifer Project International is a non-denominational organization dedicated to the elimination of hunger and poverty by providing animals and assistance to families and communities around the world that are in need. Because participants "pass on the gift" by sharing an offspring from the original animal, these are gifts that keep on giving.

Babysitter Training Course

The next Babysitter Training Course at Tobey Hospital will be held on Friday, June 24th, from 5 to 9 p.m. and Saturday, June 25th, from 9 a.m. to 1 p.m. in the Hospital Library.

The course covers Basic First Aid and CPR, Handling Emergency situations, Accident Prevention, Child Care and Development, and instructs adolescents in responsible babysitting skills. Open to boys and girls ages 11-14, the class also offers presentations by Fire and Police Department representatives. Upon successful completion

It protects over 1,100 acres in 9 towns in Plymouth and Barnstable Counties. Membership is open to anyone who shares in the goal of protecting open space. The annual meeting is an opportunity to learn more about the vitally important work PCWT is doing to preserve some of the rural character of southeastern Massachusetts.

The walk following lunch will be at the David Cushman Jr. Preserve, one of PCWT's most interesting properties. It includes 33 acres of fields, woods, and saltmarsh along the Bluefish River, and has an abundance of wildlife and attractive views.

GARY CHARPENTIER, MATTAPOISETT 758-9334

is June 12th.

The staff of the Massachusetts Society for the Prevention of Cruelty to Animals will conduct the contest and other related activities. Only pre-registered dogs will be admitted, but the public is invited to attend this fun-filled event.

Amateur Dog Show categories include: floppiest ears, best trick, best smile, best groomed, most obedient, owner/dog look-alike, and best tail-wag. An "Ask the Vet" booth, plus information on pet care and an MSPCA Ambulance will be located near the show area. In addition, dog owners and their pets can also participate in an obstacle course. Prizes will be awarded to the three teams with the best times.

The show is being held in conjunction with the major seasonal exhibition: Canines and Felines: Dogs and Cats in American Art, which opened to the public on May 8th. Located in the Art Museum, the display has over 170 paintings, prints, drawings, sculptures and ceramics. A catalogue for the Art Show is available for sale in the Museum Store.

Membership, as well as admission tickets to the Museum for the day, will be honored for this event and will include admission to all the Museum buildings, exhibitions and grounds. Tickets are $6. for adults, $5. Senior Citizens 65 or over, children under 12, $2.50; five and under, free. Take Route 6A off the Mid-Cape Highway and follow to Route 130, to Pine and Grove Streets in Sandwich.

FOUR STUDENTS RECEIVE SPOTLIGHT AWARDS

Four Old Colony students were recent recipients of Awards from Southeastern Massachusetts University's Spotlight Program. The "Participation With Distinction" Awards were presented to Bruce Bachand, Krista Brassil, Victoria Camacho and Monique Cote.

The Spotlight Program is an after school Enrichment Program for gifted and talented students. The program functions to bridge the gap between secondary school and college. All four Old Colony students intend to pursue a college education upon graduation in June 1989.

Victoria Camacho is a Mattapoisett resident.

ternational Student Leadership Institute at Southeastern Massachusetts University. Juniors Diane Hudon and Bob Batchman will join sophomore Tara Medeiros on June 8th to learn the philosophy of ISLI at the SMU Institute.

The ISLI philosophy has five essential objectives. They are support, awareness, self-confidence, positive thinking, and values. The process of teaching this philosophy is through five connecting task reinforcers which are group process, communication, motivation, change, and leadership. ISLI was founded in 1966 at the University of Notre Dame and is coordinated at SMU by John Fernandes, Director of the Science and Engineering center.

The Old Colony students are being supported in this activity by the School Improvement Council. Diane Hudon, an Offset Printing student, and Tara Medeiros, a Data Processing student, are Rochester residents. Bob Batchman, a Drafting student, resides in Carver.

OPENINGS AT OLD COLONY

A limited number of 10th and 11th grade openings in selected shop programs are available for September at Old Colony Regional Vocational Technical High School.

Tenth grade openings exist in Health Services, Electronics, Electricity, Data Processing, Machine Shop, and Offset Printing. In addition, openings are available to eleventh graders in the Health Services Assistant Program.

Any student interested in applying for one of the openings should contact their school's guidance counselor or contact Mrs. Paula Simmons at Old Colony by calling 763-8011, extension 28.

Women's Golf

Sixty-two members of The Little Harbor WGA played a four-ball, best-ball tournament on Wednesday, June 1st. Taking first place was the team of Beverly Casper, Ruth Black, Carol Beichek, and Eileen Hughes. Second place was won by Eleanor Stenberg, Mady Courville, Jean Keir, and Julie Kirk. Two teams tied for third place: Helen Francis, Mary Savignano, Edith Poretsky and Marion Taylor tied with Dot Lazarus, June Bruce, Jan O'Pezio, and Angela Sullivan. Fourth place was taken by Wendy Forbes, Peg Godfrey, and Ruth Beaton. Mady Courville was closest to the pin on hole number one, Peg Godfrey was closest on number eleven, and Mary Galligan was closest on number fifteen. Special note was taken that Wendy Forbes shot a one-under-par fifty-nine.
